<h2>ABOUT</h2>
<p>
        Welcome to Future Acadamey, a place where students can explore their passions,
        discover their talents, and develop their skills for the future.
        <br>
        We are a school that combines the best of traditional and modern education,
        offering a curriculum that is both rigorous and relevant.
        <br>
        Our students learn science, development, sports and how economics and shop class
        in an integrated and interdisciplinary way, connecting their learning to real-world problems and solutions.
        <br>
        They also have opportunities to participate in various extracurricular activities, such as clubs,
        sports, arts, and community service. Our school is committed to fostering a culture of excellence,
        innovation, and diversity, where every student is valued and supported.
        <br>
        We believe that education is not only about acquiring knowledge, but also about developing character,
        creativity, and citizenship. Our mission is to prepare our students for the challenges and opportunities
        of the 21st century, and to inspire them to become lifelong learners and leaders.

<p>There are many types of events that can be held by the school during the school year to enhance the
    learning experience, foster the school spirit, and engage the students, parents, teachers, and the community.
    <br>
    <br>
    <b>Here are some examples of fun and educational events that you can consider:</b>
</p>

    <ul>
    <li>
    <p>
        <b>Trunk-or-Treat Party:</b> This is a Halloween-themed event where parents,
        teachers, and volunteers decorate the trunks of their cars and park them in the school parking lot.
        Students can go from car to car and collect candy and other treats.
        This is a safe and creative way to celebrate Halloween with the school community.
